

Housing Association SSW chooses Camelot

Guardian occupation makes site safe and habitable

"For the past few years we have employed Camelot's services to protect and maintain the site. We've learned from our Guardians the area is now considered to be pleasant and safe."

Property Manager | SSW Housing Association

Project

Housing estate awaiting regeneration | De Bilt The Netherlands

Problems

- During the transition phase many homes become vacant
- Not all the occupants leave at the same time
- Client needs area to be maintained to a clean, safe and habitable standard

The Camelot Solution

- As residents move out, Guardians move in on a temporary license
- Camelot provide regular inspections of the properties and surrounding area
- Minor maintenance work carried out by the Guardians

Results

- Site and surrounding environment is maintained and secured
- Properties are utilised throughout renovation period
- Two week notice period to hand back properties ready for regeneration
